BISHOP'S MESSAGE

My dear friends:

Along the spacious road of history countless tributes have been paid to the providential role of our Blessed Lady in the great drama of salvation. Today I simply ask you to peruse this one taken substantially from Lecky's "History of Rationalism:" The world is governed by ideals, and there never has been an ideal that has exercised so profound an influence on mankind as our traditional idea of God's Virgin Mother. In her, woman has been raised to her rightful place of dignity among men. No longer associated with the lust of man's unruly passions, woman rose in the august person of Mary to a new sphere of honour. Into a harsh and selfish world this hitherto unknown type infused a gentleness and a purity of which the ancient world had no conception.

"In the millions of every race and clime who have striven to shape their own lives in her mold and image, in the endless record of heroic souls who have renounced the human ties of domestic happiness and the passionate love of country to follow more closely in her immaculate footsteps, in the initiation of an absolutely new tradition of chivalry and reverence for the weaker sex, in the softening of personal manners, and the refinement of human tastes hitherto unknown: in these and in many other respects as well, may we detect the sweet influence of God's Mother. Scarcely known to us except for her gentleness and sorrow, she has exercised a magnetic power upon the modern world surpassing the wildest dreams of paganism."

Devotedly yours in Christ,
+ John C. Cody,
Bishop of London

PRESIDENT'S MESSAGE

My dear students:

We have only to read the daily press and magazine articles to realize the vital importance of education, particularly higher education, in all countries of the world today. Government, industry and private sources are spending greatly increased monies to meet this emergency. Money and facilities however can do nothing to stimulate the brains of students unless they possess understanding and good-will. Assumption, like all Universities, is endeavoring to meet the need. The program of studies and the daily routine of life at this University are primarily aimed at the production of educated persons. We sincerely hope that each of you is aware of our world's needs for educated people and your responsibility to yourself, your country and the world, to become an educated person. Your desire to be such is the only guarantee that you will fill the niche which the good Lord has in line for you. Good students are happy students. The future has challenges for you which your elders do not have to face. Be wise, get ready, and God bless you.

President's Message

I came to Assumption and with regret I leave. But I go better equipped to understand and confront the problems of my new vocation.

My undergraduate phase of life has been full. For this I owe my gratitude, both to you and the faculty.

I was given the opportunity to represent you, as President of the Students' Administrative Council, both at and away from Assumption. I have deemed it a great honour indeed.

Our Council has done its best to establish more concrete foundations for future student government. They have proved themselves capable of leadership, and for this can be commended.

The modern world cries for leadership. Greater men must meet the challenge of greater problems and forces. The future of tomorrow's world lies in the potentiality of today's graduates—in their ability to assess, correct, and tolerate.

Among my acquaintances are men and women with potential for great good in various fields. As sons and daughters of our Alma Mater, they will leave their imprint on the world—and some of them deeply.

May they persevere under God, for His glory and for the honour of Assumption.

Respectfully yours,
Donald J. Raper

Organizations

Canterbury Club

The Canterbury Club began on Assumption's campus during the 1957-58 school term. This year, since the arrival of Rev. R. S. Rayson, the club has grown both in strength of action and in number. Its very formation has brought about a closer union of all Anglican students on campus.

The United Church Club, which this year makes it debut to Assumption deserves congratulations for giving the student members of the United Church an organization paralleling the Catholic Legion of Mary and the Anglican Canterbury Club.

Standing, left to right: J. Moore, R. Gilmor, V. Armstrong, R. Woodall, B. Secord, S. Magrath, T. Reid, T. Taylor. Seated, left to right: B. Whipple, P. Dunseath, President; Rev. S. Henderson, W. Neely.

Business and Commerce Club

The stone-age man never anticipated such a study would arise from his simple trading habits. The operation is grown intricate since then, and students enrolled in the Bachelor of Commerce Course have formed the Business and Commerce Club to give them extra-curricular opportunities of furthering their knowledge in the business and industrial world. The club invites important leaders of the business world to address them on current business topics and it tours many of the local plants for first hand information.

Economics Club

A quick glance at the import-export markets, the fluctuation of the stock market, or the price of cigarettes shows the work of economists whose decisions often effect millions of people. The Economics Club is composed of students interested in this important field. The club arranges for tours and outside speakers to inform them of the latest developments and the most up-to-date techniques.

The Variety Pep Band, gathered from a "bunch of the fellows" who are musically inclined, has provided Assumption students with plenty of music at basketball games and pep rallies. The band deserves a grand students' thanks for its contribution to school spirit and student enjoyment.

Artists

The Drama Club

The Drama Club this year received extra impetus from the newly-formed Drama Course under the direction of Mr. Patrick (Dan) Kelly of the English Dept. The Club must be known not only as made up of actors, but also of directors, set designers and builders, and sound effects men.

"Kind Lady"

"Kind Lady", presented during the fall term, was one of the Drama Club's biggest presentations of the year. The play was held in the drama club room in the "Huts", and was directed by Mr. Patrick (Dan) Kelly. Paddy Ann Mohan and Jim Kennedy gave one of the best performances ever at Assumption. They were backed by Margo King playing a supporting female role.

French Club

The French Club is improved greatly since the innovation of the language laboratory at Assumption which enables new-comers to the language to better learn proper pronunciation in French conversation. Highlight this year for the club was a trip to Detroit's Institute of Fine Arts where members saw the professional "French Players" present Racine's classical "Britannicus."

Spanish Club

The Spanish Club is greatly boosted by the number of Latin-American students attending Assumption. Many of its members are new-comers to the language, taking first and second year courses, and they receive first-hand pronunciation in a less-formal manner from their fellow students from the south.

Philosophy Clubs

The Philosophy Club, which for some years has been dormant, rose anew this year. The Club, purely intellectual, gives Assumption's philosophers an opportunity to discuss, informally notions of the various philosophers — ancient and new.

The Students' Guide, an invaluable piece of literature, was put out in record time this year by its editors. They deserve a good deal of thanks from students for its efficiency, appearance, and quick delivery.

The spirit and ambition of the men comprising this year's Athletic Council brought forth the acceptance of the four new sports and the expansion of the entire athletic programme. Each, in performing his duties splendidly by supervising and promoting his part in the activity helped achieve these great advances. The hard work and leadership offered by president Paul Kennedy and Director Richard Moriarty made all of this possible.

Golf and Tennis

The extensive intramural programme this year also welcomed intramural contests as well as intercollegiate in both Golf and Tennis. The intramural competitions in both these sports brought forth those winners who went into intercollegiate play. The Golf Team as well as travelling to Kingston for the Intercollegiate Tourney played host to Tony Oullette who conducted a clinic. The Tennis Team travelled to Quebec city for a memorable weekend and then competitions.

Intercollegiate Track and Field

One of Assumption's better accomplishments of recent years is its continued improvement in Track and Field. This year provided a greater step than has been seen in a long time with the sending of ten tremendous tracksters to the intercollegiate competitions at Guelph and London. Such feature attractions as Dan Cole, Dick O'Connor, Earl Rosenbaum and Mike McDonald all helped to bring the team into a third place finish in intercollegiate competition. Paul Falardeau and Ray Koenig are to be congratulated for their fine jobs.

This year's intramural programme under the watchful eyes of John LeBel proved to be one of the biggest year-opening successes. An unanticipated turnout for all the teams prevailed and the schedule was followed without a single game default.

The **Juniors** again provided the superior team somewhat failing public demand but had a hard fight to achieve their laurels. A big rough **Senior** Team will long be remembered for their defensive work and hard-hitting linemen. The **Sophomores** featured an All-Star backfield and proved to be an equal to the Seniors in both their contests. The **Freshmen**, although showing lack of experience and power, held their own and did much better than Frosh Teams of the past.

Hank Biasetti's A.U. of W. Lancers had a surprisingly successful season this year by winning 7 of the 8 league games they played and giving them hopes for the Intercollegiate Crown. Their overall record was not so bright however as they ended the season with a 12-10 record.

The twelve wins consisted of 9 conference wins as well as victories over Aquinas, L.I.T., and North Central College. Five of the losses were to Detroit teams; two to U. of D., D.I.T. for 2, and L.I.T. for one. Tillsonburg captured two

more and the others were lost to the Vagabonds, Aquinas and Western in our only conference loss.

Gene Rizak became a byword towards the end of the season as he pumped in basket after basket.

He broke an Intercollegiate record with a 44 point effort and an N.C.A.A. record with his 26 foul shots

in the game at Toronto. He had better than average backing in Leo Innocente, George Nickson, Jerry Kotwas, and Larry Francoeur, of which the last two played their last year with Hank Biasetti and the Lancers.

The Junior Varsity

This Year's version of the "Crusaders" wowed the basketball world here at Assumption by demonstrating superb ball-handling and scoring ability.

The team went through the schedule with only three losses and ended up as the Intercollegiate Champs for their division with a perfect season. Tribute must be paid to coach Eddi Chittaro for his handling of the boys. Eddi's win-loss record is now 64-11 and this alone is sufficient testimony to Eddi's great work. He had a bunch of great boys to work with in Jimmy Bruce, Pat Dun-
nion, Pat Gleeson, Joe Pentesco, and of course Warren Reynolds and Dick Szeman.

Intramural Basketball

The Intramural basketball wars again took place in St. Denis Hall on Monday and Wednesday nights. This year the league, under the able guidance of Pete Cathcart and referees chosen from the ranks of the Intercollegiate teams saw a swell in their numbers from 90 to 150. Equivalent success is wished to next years teams.

Hockey

The choosing of the All-Star team and the game between the All-Stars closed out a fine season of Hockey at Assumption this year.

In regular league play the Juniors came out on top, but only after a battle to the wire with the Sophomores, who were tied with them at the completion of the schedule but bowed to them in the finals.

Among the top scorers of the loop were three Juniors, Dempsey, Carriveau and Hurst, as well as Rinaldi, a Soph.

It was a fine season in all respects and many stars arose, but one, Lucio Sandrin, was chosen as the M.V.P. of the league.

Badminton and Fencing

The classic art of Fencing was introduced to Assumption enthusiasts this year by Ed Mulawka. The sport was very well received and instruction by experienced hands immediately set in. Practices were held regularly for both men and women with much success. With continued interest, definite plans for meeting with Detroit followers will be carried out. Participants are: Chuck Restino, Dean Morrison, Bill Howarth, Paul Dunseath, John Lindsey, Jack Li, Paul Thomson and Ted Warrow.

Taking advantage of the expanded intramural facilities and activities the many talented badminton players assembled and formed an intramural tournament and a resulting inter-collegiate team. The tournament showed more-than-enough ability was present and the resulting trip to Kingston's Queens University also proved a success. Congratulations are due to all participants and especially to the commissioner Joe Pintur.

Body Builders

Answering the cries of many a soul on campus a body-building and weigh-lifting club was initiated this year under the guidance of Phil LeMay and assistance of Karl Ilk. The facilities were appreciated by all and as a result many on campus now enjoy the activities provided. The highlight of the year was the presentation of Mr. Michigan Luke Adams for a demonstration of skill.

Bowling at the Campus Recreation this year turned out to be the most popular pastime for Wednesday afternoon to be discovered in a long time. Each week a group of seventy-five or so invaded the alleys and raised havoc among the pin-boys.

Among the better bowlers a few are

cited for their better days. A high single of 245 for Pete Klukach, a high triple of 601 by Ben LaRocque and a 167 average by Al Schwartz will be remembered for a long time.

With the Intercollegiate competition added, it turned out to be a swell season and all concerned are to be congratulated.

Girls' ten-pin bowling, while only in its second year at Assumption, is already becoming the most popular sport among the women on campus. Sixty students formed twelve teams which competed for the top honours in the league. Carol Brueggeman and Elizabeth McLister proved to be the best female contenders for the highest averages of the year, while Gail Bondy took the title of Most Improved Bowler.

Silver Anniversary Season

November 25, 1959 will be the actual 25th anniversary of the founding of the Series, which will also be in the midst of the 26th annual season.

To 95% of the 26 extraordinary programs of lectures, music, and the arts, all students are admitted *gratis*; something unique in university circles in every continent. The Series, too, is unique in excellence and variety. More than one university president and publicist has declared that there is no comparable arrangement of cultural presentations in North America. A relatively small percentage of students take advantage of the opportunities; but they find it most rewarding.

During the past 1958-1959 silver anniversary season, the following enviable presentations were included

Mayor M. Patrick and students from Assumption University of Windsor admiring the 1958 Ambassador

MAYOR MICHAEL PATRICK

I am grateful for the opportunity given me to extend the congratulations and best wishes of the people of the city of Windsor to Assumption University of Windsor.

Windsor and Essex County is indeed fortunate in having educational facilities of such high standards to meet the ever increasing demands for higher education for our boys and girls.

As you continue to grow and expand in accordance with accepted university practice by affiliating with liberal arts colleges and by adding new courses, you will continue to merit the respect and admiration of all our citizens.

TODAY, the opportunities offered by Canada are greater than ever before. And, in step with these opportunities, our country's need for college graduates is equally great.

From the records established by previous students of Assumption University, we know there are none better trained in their chosen fields than you who are graduating this year. With such schooling, you can look forward with confidence to making important contributions to the broader horizons that lie ahead.

We are pleased to have this opportunity of saying a friendly "Hello" to each of you. With God's blessings, may you assume your individual place in Canada's great future with the confidence your schooling warrants.

THE RCAF

Big Business

The RCAF is Canada's biggest business — employing some 70,000 people and operating a billion dollar organization. It is a dynamic and expanding one in which application, knowledge and initiative are recognized and fully rewarded.

The aircrew officer works with the most advanced equipment — equipment that demands in its operation people with a developed capacity for learning.

a time of Decision

As a young man about to graduate from university you will soon be deciding upon your future. This decision if it is to be a sound one will require your careful assessment of all available opportunities, as well as your own potential.

The Royal Canadian Air Force has always offered challenging opportunities in air crew which have attracted university graduates from all faculties. Today, almost without exception, the officers in senior air force appointments are degree men, most of whom have risen to their present positions after entering the RCAF as pilots or observers.

With the expanded role, the advances being made in flying techniques and the heavier demands being placed on executive officers, the RCAF now offers even a greater challenge to the young man with a university background.

We at the Windsor Utilities Commission are proud to have served Assumption throughout our much briefer history.

Proud, are we too at the determination and foresight which have brought Assumption to its present state of development and the plans which will make it greater.

"The end of man is to serve the higher cause — knowledge will help him better serve the cause."
